## **CANADIAN WESTERN BANK TO ISSUE SUBORDINATED DEBENTURES**

Edmonton, October 17 – Canadian Western Bank today announced that it has agreed to issue subordinated debentures in the aggregate principal amount of \$30 million to institutional investors, subject to the approval of the Bank’s Board of Directors. The debentures are expected to be issued on October 24, 2003 and will have a fixed interest rate of 5.96% until October 24, 2008 and the Canadian dollar CDOR 90-day Bankers’ Acceptance rate plus 175 basis points thereafter until maturity on October 24, 2013. The Bank may redeem all, but not less than all, of the debentures on or after October 24, 2008 at par plus accrued and unpaid interest subject to approval of the Superintendent of Financial Institutions, if required. Lightyear Capital Inc. is acting as agent for this transaction.

Larry Pollock, President and Chief Executive Officer, said the main purpose of the issue, as it was with the previous \$30 million subordinated debenture issue in July, is to increase the Bank’s total regulatory capital to support current and future asset growth in a manner that does not dilute the existing common shareholder base.
